

Transportation Information to Conference Facility

Below you will find information in helping you make some of your travel plans.

From Molly Martzke

Hotel:

If you wish to share a room at the hotel please visit the H&V Bulletin Board www.handsandvoices.org/hv/phpBB2/ You can post your message under the Leadership Forum. We will have a separate tab set-up. It will be your responsibility to contact that person and make your reservations on your own.

Ground Transportation:

Below you will find information for reserving space on the shuttle that is set-up between the airport and the hotel. Otherwise, if you wish you may send me your flight information to mpmartzke@yahoo.com and I will compose a spreadsheet to send around to others that may want to share the cost of renting a car. After I collect all of the information I will send this information out to those who have requested it. You can then feel free to contact those arriving in Minneapolis at a date/time close to yours if you feel like you want to coordinate travel with them. How you get to the Riverwood Inn is your decision. You may decide to utilize this Shuttle service or rent a car and share the expense with others.
