
Hands & Voices National Leadership Conference 2012
Hood River, Oregon
June 21-23, 2012

(just 45 minutes East of Portland)

Mark your calendars for June 21-23, 2012! Hood River is known for its wind surfing and kite boarding, and though you won't be on the Columbia River, you will be sitting next to it, with a view of Mt. Hood soaring through your knowledge building and networking!

Fun activities to include beer tasting, wine tasting, biking, shopping in quaint downtown Hood River and more!

As you know the National Conference is the one place to gain the tools to build a strong chapter, expand your GBYS program, gain knowledge and build the all important connections with other chapters. This conference is for you, your board members, and the parents and professionals you work with. Hands & Voices will be offering CEU's!

See you in Oregon!
